ABOUT US

Welcome to our metal laser cutting company! We are a quality-focused, customer-centric sub-contract laser cutting service provider based in the Ethiopia. Established in 2011, we have over 5 years of experience in laser profiling and processing. Our services include custom cut panels for hand-rails , doors , wall arts and different industrial machineries.

Our state-of-the-art facilities are equipped with the latest CNC laser cutting machines that operate 24-hours a day for rapid lead times at competitive prices.
